Epiphany

Prayer : Epiphany

O God, who by the leading of a star manifested your only Son to the peoples of the earth: mercifully grant that we, who know you now by faith, may at last behold your glory face to face; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.
Amen.

New Year Message

One of the most famous passages about New Year is about standing at the Gate and asking for a light to guide us and the reply being about trust. We stand at the start of a new year, nobody knows what will come to us during this time, some good, some not so, and sometimes it is better not to know, and we may be feeling excited, expectant, even anxious and fearful but if we trust in God, he will not let us fall. So walk forward into the unknown, the New Year with confidence and trust and believe in one far greater than all of us combined – Faith, Hope and Love are your watchwords if you trust in God, and all you need whatever 2022 may bring. May I wish you and your families a very Happy New Year, may it bring to you an abundance of God's blessings.
With love and best wishes
Rev'd Kathy
